BILANCIAI
OUR STORY BUILDS YOUR INNOVATION

GALAXI with robotic axis

Perfect label positioning, no adjustments, no downtime.

Automatic repositioning of the printing unit ensures perfectly placed label, for every saved format, no manual adjustments, no slow downs.

KEY FEATURES:

- No manual adjustments between formats
- No waste of time for the operator
- No positioning errors

Format changeovers are automatic and immediate

GALAXI brings repeatability and precision to the next level!
